

MASTER OF SCIENCE ENGINEERING ONLINE PROGRAM
HENRY SAMUELI SCHOOL OF ENGINEERING AND APPLIED SCIENCE
4732 BOELTER HALL
LOS ANGELES, CA 90095-1600

To Whom It May Concern:

This letter serves as verification of program cost and tuition for the UCLA Master of Science in Engineering Online (MSOL) program.

The MSOL program is a fully online degree program with a tuition cost of \$4,200.00 per course. Tuition is assessed quarterly.

Students in the MSOL program are exempt from mandatory campus fees. Charges posted to the quarterly student billing statement (BruinBill) are wholly comprised of the tuition cost of \$4,200.00 per course.

For confirmation of a student's terms and dates of attendance, enrollment status for each term attended, and/or registration and fee payment, please refer to the student's [Verification Transcript](#).

For confirmation of a student's courses, units, grades, and/or degree, please refer to the student's [Academic Transcript](#).

For more information about tuition and fees, please see the [Program Cost & Financial Aid Information page](#).

Sincerely,

A handwritten signature in black ink that reads "J.M. Yang".
